To a girl I like very
much, and hope you stay
the way you are because
You are perfect that way.

FOHIRAB 1965

The beginning of school brought into Fostoria High a mass of students anxious to begin another year. By the conclusion of the year, each student's profile had been individually formed and detailed by his classmates, his teachers, and his activities. The 1964-65 Fohirab, theme "Profiles," relives the events which helped shape their lives.

PROFILES IN LEARNING

Learning is there for those who want it. To the student, learning is either dull and uninteresting or it is a guide along the unknown path into the future. To the teacher, learning is a means of combating ignorance or a way of showing the student that there is more to it than reading a book. To the parents, learning is the big step between adolescence and adulthood . . . Some learn automatically, others must concentrate to learn and still others rarely learn anything, but no matter how it is accomplished—the experience of learning is a real satisfaction and the most wonderful way in the world to discover life as it really is.

Phil Hollenbaugh and Jim Hartley, our mechanical experts, show us part of our exceptional vocational department.

Fostoria High has her fair share of industrious thinkers, of which Sandy Heischman and Debbie Burch are prime examples.

BAKE SALE! Those magic words that bring all the Class-Skippers and Privileged Persons rushing to the front lobby. (which type is Susan Florea?)

INSIDE FHS

Half the fun of school is seeing your friends: Maybe Candy Wice and Karen Holden are about to join someone special, as Jean Parmenter and Bernje Seel have already done!

Inside dear old FHS are all the things that every good school has: Workers & loafers, laughter & tears, inspirations & discouragements, heartbeats & heartbreaks, books, desks, study halls, smelly locker rooms, and all the various interests 1,000 students can represent.

Non-dramatics students always seem curious as to what goes on back stage. Here the all-school-play card sharks give us an idea!

Adding to the homecoming gaieties was the beautiful music of the band.

All good students know and use the library; senior Charlie Van Tassel (with Stan Ling looking on) shows us how it's done.

BASIC INGREDIENTS

Classes, festivities, food, and studies are basic ingredients of a high school. FHS lacks none of these, and her students are kept busy keeping up with all the opportunities.

Cafeterias are always the butt of jokes, and ours is certainly no exception. Jim Wilson and the other frequenters are entertained by the many signs of "enlightenment" often on the walls.

Hootenanny! Ever popular and ever fun, Pam Tighe, Lanny Piper, Bernie Bauer, and Nancy Hayfield dress the part for this Y-Teens event.

The Dramatic Debut of the season, "The Madlady of Chaillot", closed with a presentation to the director and his wife, Mr. and Mrs. Hoffman.

Bulletin boards line the hallways, and energetic volunteers busily keep them filled with information, advertisements, and decorations.

Our poor crowded building bulges at the seams when the students are changing classes, especially on third floor as a couple hundred seniors pour out of homeroom headlong into as many underclassmen going into study-hall!

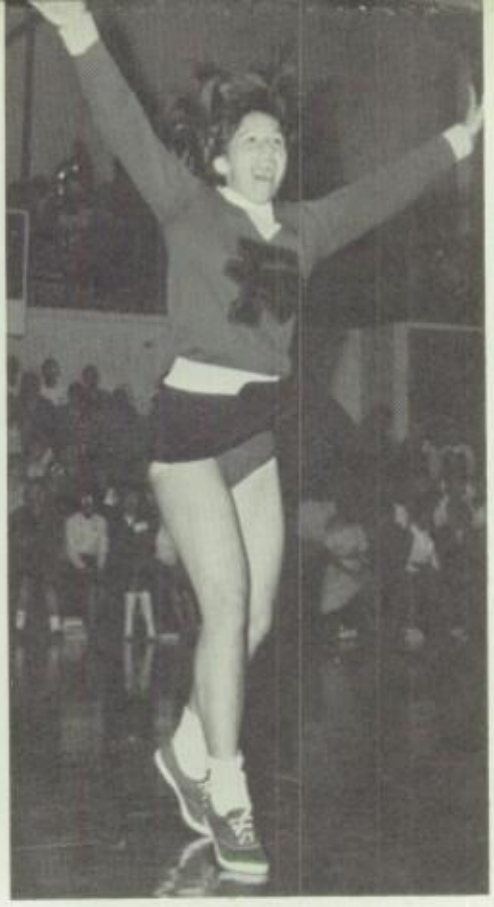
Though the auditorium isn't exactly the quietest place during the lunch hours, some ambitious students, like Kay Farwig, uses it to get a little schoolwork done.

Classes are part of the normal routine in any institute of learning. Every student experiences the monotony of a regular schedule, but each day, each class always has something unique to set it off from the others.

SCHOOL-TIME REGULARS

Among the mad scientists of Mr. Siekeres' first period physics class, John Strawman, John Franklin, Randy Miller, Larry Bourne, and Jeff Fast are the most recognizable here.

What is it at the pep rally that can bring such indifference from Bill Little, such yells from Anne (Charlie) Gardner, such tears from Sue Nonnamaker, such disinterest from Diane Kisabeth, such encouragement from Mike Echelbarger? . . .



Could it be Peggie Tighe?!

Barbara Simono puts in her time voluntarily at the first aid room. The lucky patients!

Focal Points

A focal point in the auditorium is the bust on the proscenium of Emerson, for whom our building was named. The focal point of our school is the individual student, his goals and his activities, for whom our building was made.

Fostoria High contributed much of the talent that made the Elk's Show a success. Many girls danced, as above, some students acted, Debbie Burch sang a beautiful solo, and some of our fellas sang with the barbershop group.

The girls' ensemble spent many hours of hard work preparing for performances, to represent FHS to many outsiders.

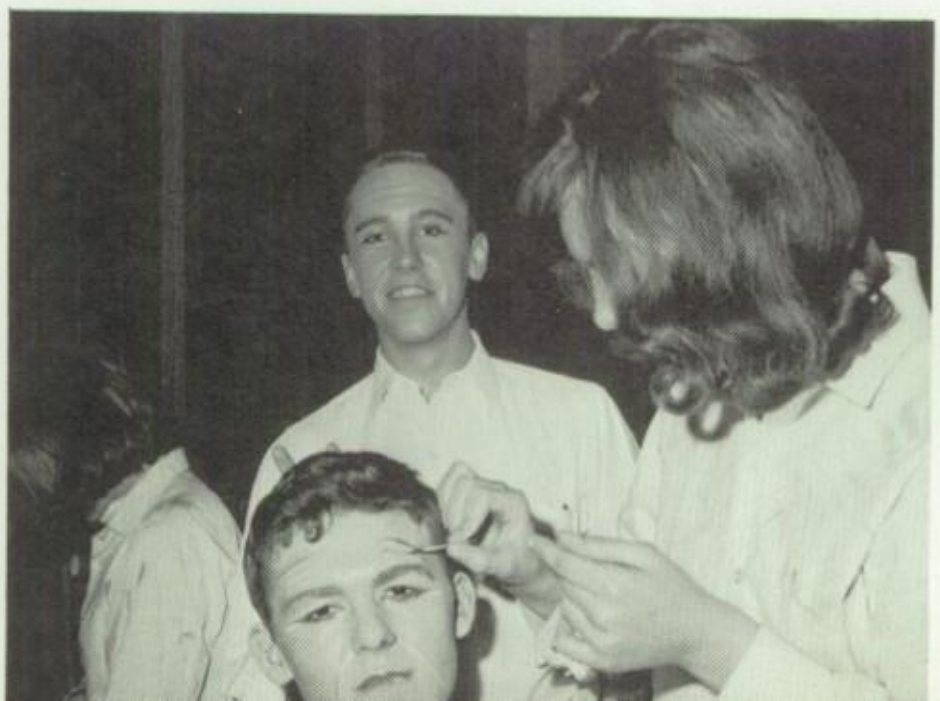
Anne Gardner, as the Madlady, inspires Dave Sampson to face life happily, as Joe Ramsey, waiter, Dave Roth, policeman, and Margaret Pritchard, deaf-mute, look on.

The cast "looked up" to Holly Mason, student director.

Stage Mad

Anne Gardner leads the cast of the all-school play, "Madwoman of Chaillot", backed by Dave Sampson, Mary Stover, Marcia Stroman, Susie Smith, Reni Loeffler, Mike Imber, John Gregory, Stu Shiff, Jeff Fast, Ray Sinclair, Bob Biddle and many more. To the left, Anne is about to bop John Gregory for trying to interfere with her influence on Sampson.

John Perry gets the 'works' from make-up artist Chris Haughawout, while John Fox adds a touch of his own!



Johnny Johnson (street singer), and Bonnie McEndree (flower girl), witness the Countess Aurelia's encounter with the Ragpicker (Anne Gardner and Ray Sinclair).

The annual magazine campaign was kicked off with an assembly, showing the prizes for the successful salesmen.

Lion cub and Australian dingo were special visitors this year.
Jungle Larry is always a welcome guest, with his programs of interest and education.

Time out is taken often to bring in touches of the outside world.

Assemblies present program of interest that give variety to our school schedule.

Touches from Outside

Dave Smith was one of the many boys who received recognition at the fall awards assembly. Here, Mr. Staley and Mr. Studrawa make a presentation.

Even Editors have their bad days! Diane Kisabeth's experiments as a photographer resulted in some very interesting shots. Let's hope Brett Brown's head is included in the measurement for his graduation gown. To the right, Candy Wice is attempting to observe through the microscope without the help of eyes!

Open doors are all the opportunity the truly ambitious need. FHS students try anything and everything, and sometimes come up with some amazing results!

Cartwheels, anyone? Cheryl Searles shows how to relax an enjoy life!

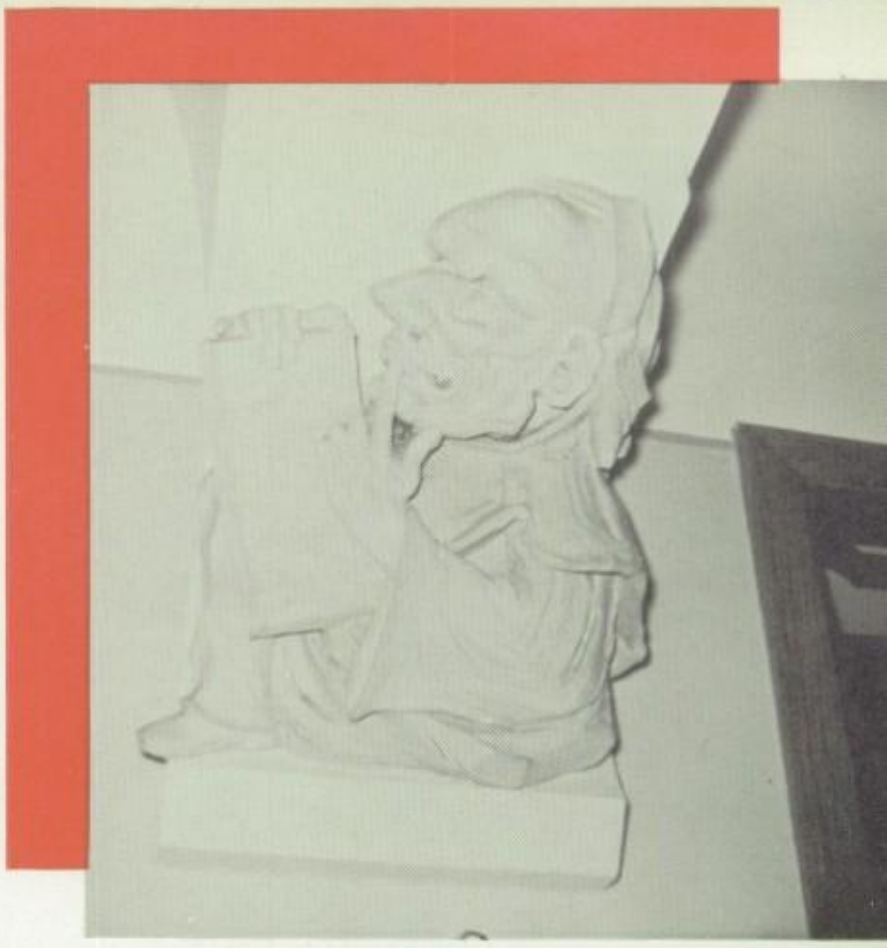
Exploits

Y-Teens gives many girls the chance to learn the art of leadership . . . let's hope Sandy Heischman has learned a little more since this meeting last fall ! !

Study halls are for studying . . . or chatting, or scratching or nail-filing, or sleeping, or . . .

Main event of the French classes was the Mardi Gras. Laura Burger and Stan Swartz add their artistic touch, above, and Kasey Fling, Terrie Youngstown, and Linda Risner do their share, too.

SPECIALIZING



Many classes give students a chance to specialize, to develop their own potentials. The language classes teach languages that are beneficial in our broadening ways of life, and give the students an insight to other ways of life, old and new, near and far.

The Latin department is full of excitement with its many activities: banquet, open house, Saturnalia, and conventions. An outstanding achievement of the JCL group was the presentation of "Oedipus Rex" for last spring's open house and this winter as an assembly. To the left is Mike Holden, as Oedipus in agony; to the right, Jim Graves, Mike Ropp, Bradd Dunn, and Steve Bishop.

MARDI GRAS CARNIVAL

The French and Spanish classes spent many long hours preparing for the Mardi Gras this year. Special attention was given to food, decorations and entertainment. Jim Webb and Lynda Long were king and queen of the Spanish classes and Steve Rose and Nancy Beeson were king and queen of the French classes.

Jim Webb, Lynda Long, Nancy Beeson and Steve Rose are the reigning royalty.

Variety in costumes!

Music was provided by Duffield's.

These boys enjoyed the Mardi Gras.

Rick Norton takes advantage of the refreshments.

THE GALA AFFAIR

of

MY FAIR LADY

The annual Y-Teens dance was presented this year at the C.I.O. hall. The theme of the dance was "My Fair Lady" which was portrayed in colorful decorations. Mr. McGee's dance band set the mood in music. Special entertainment was provided by Jeff Poland and Anne Gardner who sang solos and Sharon Rumple who did a ballet number.

Bob Deckard and Maureen Downs dance away the night.

Penny Madson, Anne Gardner, Randy Miller, and Jon Solether sit this one out.

This group is making social chatter!

Judy Peeler and Gregg Kelley enjoy this slow number.

The chaperones helped supervise and serve refreshments.

HOMECOMING

The Reign of

QUEEN LINDA

The F.H.S. Homecoming was sponsored by the Student Council and the Redmen Club. Senior, Linda Louden was crowned queen during the Homecoming ceremonies by Rick Frederick, student council president. The girls and their escorts were Linda Louden, Homecoming Queen, and Jim Graves; Nancy Beeson, senior attendant, and Jerry Niswander; Cheryl Kirian, junior attendant, and Brad Dunn; Cindy Reiss, sophomore attendant and Stanley Ling; Debbie Beeson, freshman attendant, and Bill Youngston.

PROFILES OF THE FACULTY

Members of the faculty play a role in the growth of the student. They teach us the fundamentals of education. English courses help the student to understand the language he uses. Social studies and language courses bring our world, past and present, into sharper focus. Science and math courses present man and matter to the students. · Commercial courses prepare students to enter the business world. Domestic and industrial arts teach many useful skills. Fine arts and physical education courses add meaning and pleasure to the daily schedule. They prepare us to be first-rate citizens. We soon realize our responsibilities must be accepted. We learn that we must cooperate with teachers and other students in order to achieve desired results. We learn the value of constructive criticism.

PROFILES OF SENIORS

After three years of hard work the long-awaited senior year had finally come for the class of 65! Ordering name cards, trading senior class pictures, attending the Junior-Senior prom and taking scholarship tests were just a few of the senior's activities. Being the leaders in school clubs, sitting in the center section of the auditorium and sponsoring the senior assembly were some of the honors bestowed upon them. As the Seniors began practicing for graduation, they realized that soon their days at Fostoria High School would be only memories once they had received their diplomas.

"Look who's got all the work!" Jerry Niswander, vice-president; Jim Graves, president.

These seniors look as though they have just robbed a bank! Mike Holden, boys' treasurer; Frances Ferrante, girls' treasurer.

PROFILES OF UNDERCLASSMEN

The underclassmen enjoyed many experiences in the 1964-65 school year. The freshmen adjusted themselves to the new routine of high school. Soon they joined in on the many activities and became an important part of the school. The sophomores began raising funds to use for the prom. One of their most important decisions of the sophomores was the choosing of a class ring. The juniors worked hard on the Junior-Senior prom and they also planned for next year when they would take the Seniors' places.

Chris Haughawout, secretary; Norene Ferrante, president; Cheryl Kirian, vice-president; Linda Morgan, treasurer.

To the juniors it has been a busy year filled with fun, excitement, and hard work. As upperclassmen more responsibility was placed upon us. Much studying had to be done for there were many term papers, themes, reports, and much homework. The year, however, was not all work. For all, time was too short to include all of the varsity sports, club activities, basketball and football games, sock hops, and parties. The Prom, which we had looked forward to since our freshman year, required much of our time, talent, and hard work. As the year came to a close, the realization that our high school days were numbered became more clear when we took our place as seniors.

Sophomores possess a keen awareness of their position in high-school life. The sophomore year is an important one, it is a year of decisions. Perhaps the most important of which is the choosing of a class ring. Second-year students must also choose extra-curricular activities in which to participate and share responsibilities. They know too, they must work and make adequate preparation for a future career.

PROFILES OF ACTIVITIES

Almost every student participated in at least one school activity this year. These activities ranged from clubs for the athletic-minded people to clubs for the academic-minded people. With the aid of the advisors and club officers most of the school activities were very successful. By participating the students learned leadership and responsibility which would help them to become better citizens.

THE ORGANIZATION OF THE ATHLETE

To be eligible for Varsity "F" a boy must earn at least one varsity letter in any sport. Participating to promote better athletic and, academic achievement among athletes is the goal of Varsity "F".

At many basketball and football games club members sell programs and act as ushers.

These mighty Redmen promote good sportsmanship wherever they go and are readily recognized by their letter sweaters.

Varsity "F" helps build men!

THE JOY OF BEING THE EDITOR
"Getting out this Annual is no picnic.
If we print jokes people say we are silly;
If we don't, they say we are too serious.
If we clip things from other Annuals
We are too lazy to write them ourselves;
If we don't, we are stuck with our own stuff.

If we stick close to the job all day,
We ought to be out hunting up something new.
If we do get out and try to hustle,
We ought to be on the job more.
If we don't print contributions,
We don't appreciate true genius;
And if we do print them, the Annual is filled with junk.

If we make a change in the other fellow's
write up, we are too critical:
If we don't, we are asleep.
Now like as not some guy will say,
We swiped this from some other Annual. WE DID."

"NOTHING NOW IS LEFT

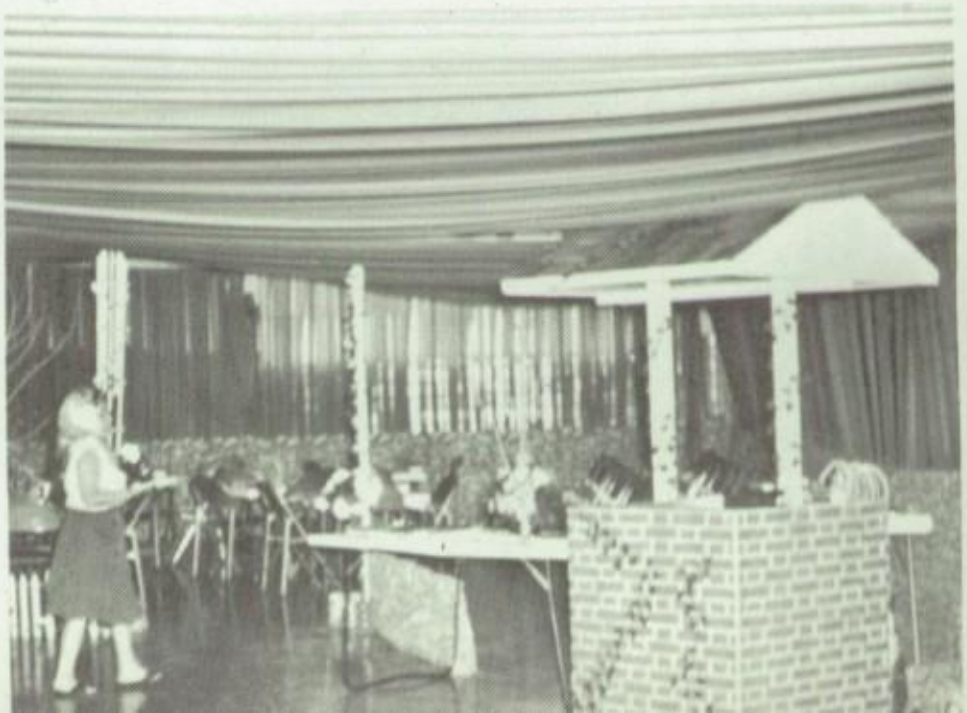
"Moonlight and Roses." That was the theme chosen, after much discussion, for the 1964 prom. This year's seniors were the hard-workers of last year who sponsored the successful evening. President Marcia Stroman, Vice President Jerry Niswander, Secretary Sharon Rumple and Treasurer Jean Parmenter, headed up all the planning with Jerry in charge of entertainment; Sharon, invitations; Sue Nonnamaker and Linda Louden, decorations; Cassie Smith, refreshments; Terri Youngston, programs; and Rita Cupp, Theme.

Cassie Smith, Marcia Stroman, Sue Nonnamaker, Jerry Niswander, and Rita Cupp put their heads together for some bright ideas.

Marcia Stroman, Junior Class President of 1964 headed up the working committees. Jeff Poland added his singing talents and his pleasant personality as M.C.

Mr. Smith, supervisor from beginning to end.

The Wishing Well, made by Randy Miller, was a beautiful focal point, besides holding all the punch!



BUT MAJESTIC MEMORY"

Highlights of the evening were soloists, Anne Gardner, who sang the theme song, and Jeff Poland, who sang "What Kind of Fool Am I." Special intermission entertainment was the Haymakers, a local Barbershop Quartet who delighted all with their varied selections.

Music, dancing, fun and laughter, all added up to a memorable evening of "Moonlight and Roses."

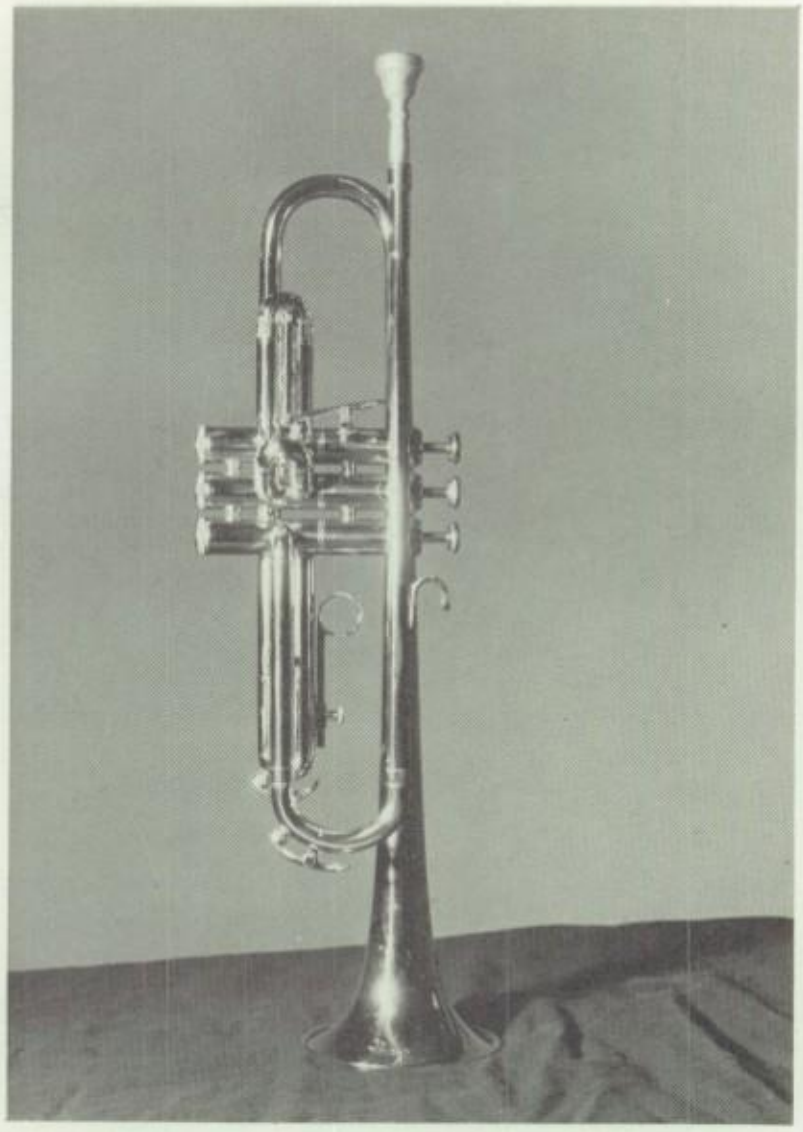
The bandstand, all decked out for Duffield's Dance Band.

The seating area was an area of enchantment. Garden seats, anyone?

Kasey Fling, Janice Lanker, and Judy Peeler were a few of the girls in lovely new dresses.

Carole Lab poses by the fountain for a memory picture.

The beautiful white entrance, surrounded by rose trees, was the beginning and the ending.



PROFILES OF MUSIC

Mr. Downs put many hard hours into his instrumental department, and all who witnessed the concerts know it was time well spent.

There every minute for all the help anyone needed was Mr. Perrine. His able assistance made this year a musical success.

Perky Janet Seikeres added to the band shows with her sparkling talents.

Active senior Sharon Rumple spent a great deal of time and energy training the Fostorette line.

The bright smile of Susie Munson was a welcome sight every Friday night, as was her performance.

The band members had time for a little socializing before the show, and they aren't ones to turn down an opportunity.

Tom Kochheiser has put in two years as drum major for the FHS Marching 100.

Susie, Ray, Janet, and Tom are all sophomores, so we can expect two more years of good work from this foursome.

Ray Sinclair, a newcomer to FHS this year, is a grand addition to our band personnel.

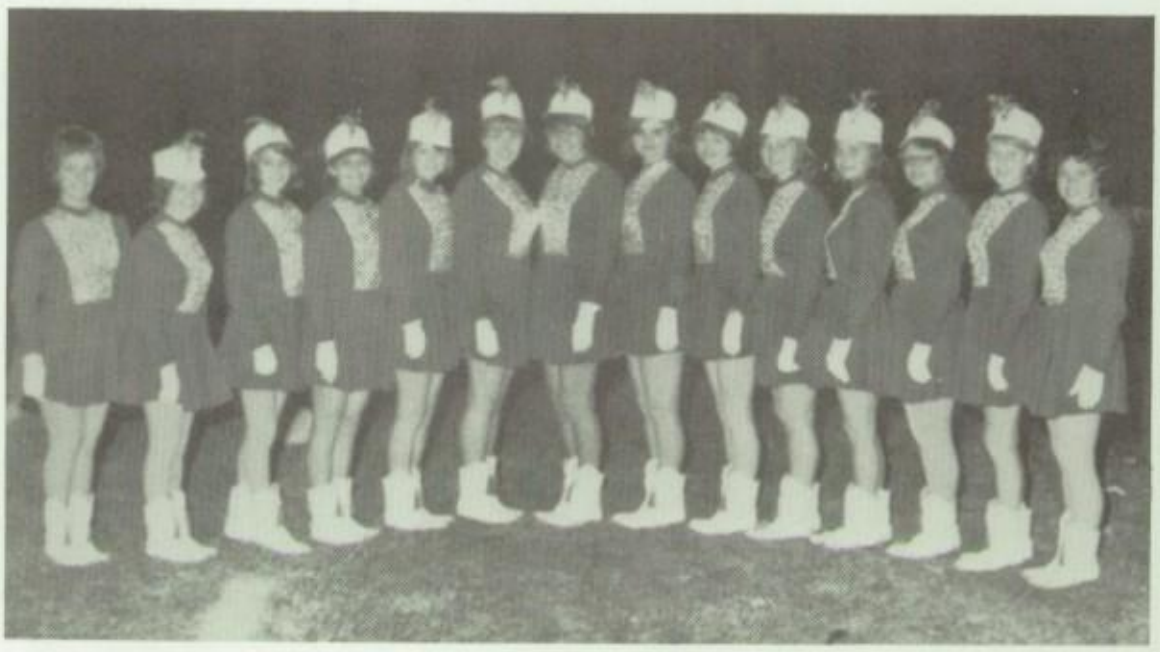
Part of every home game's formalities was the entrance runway formed for the football players by the band.

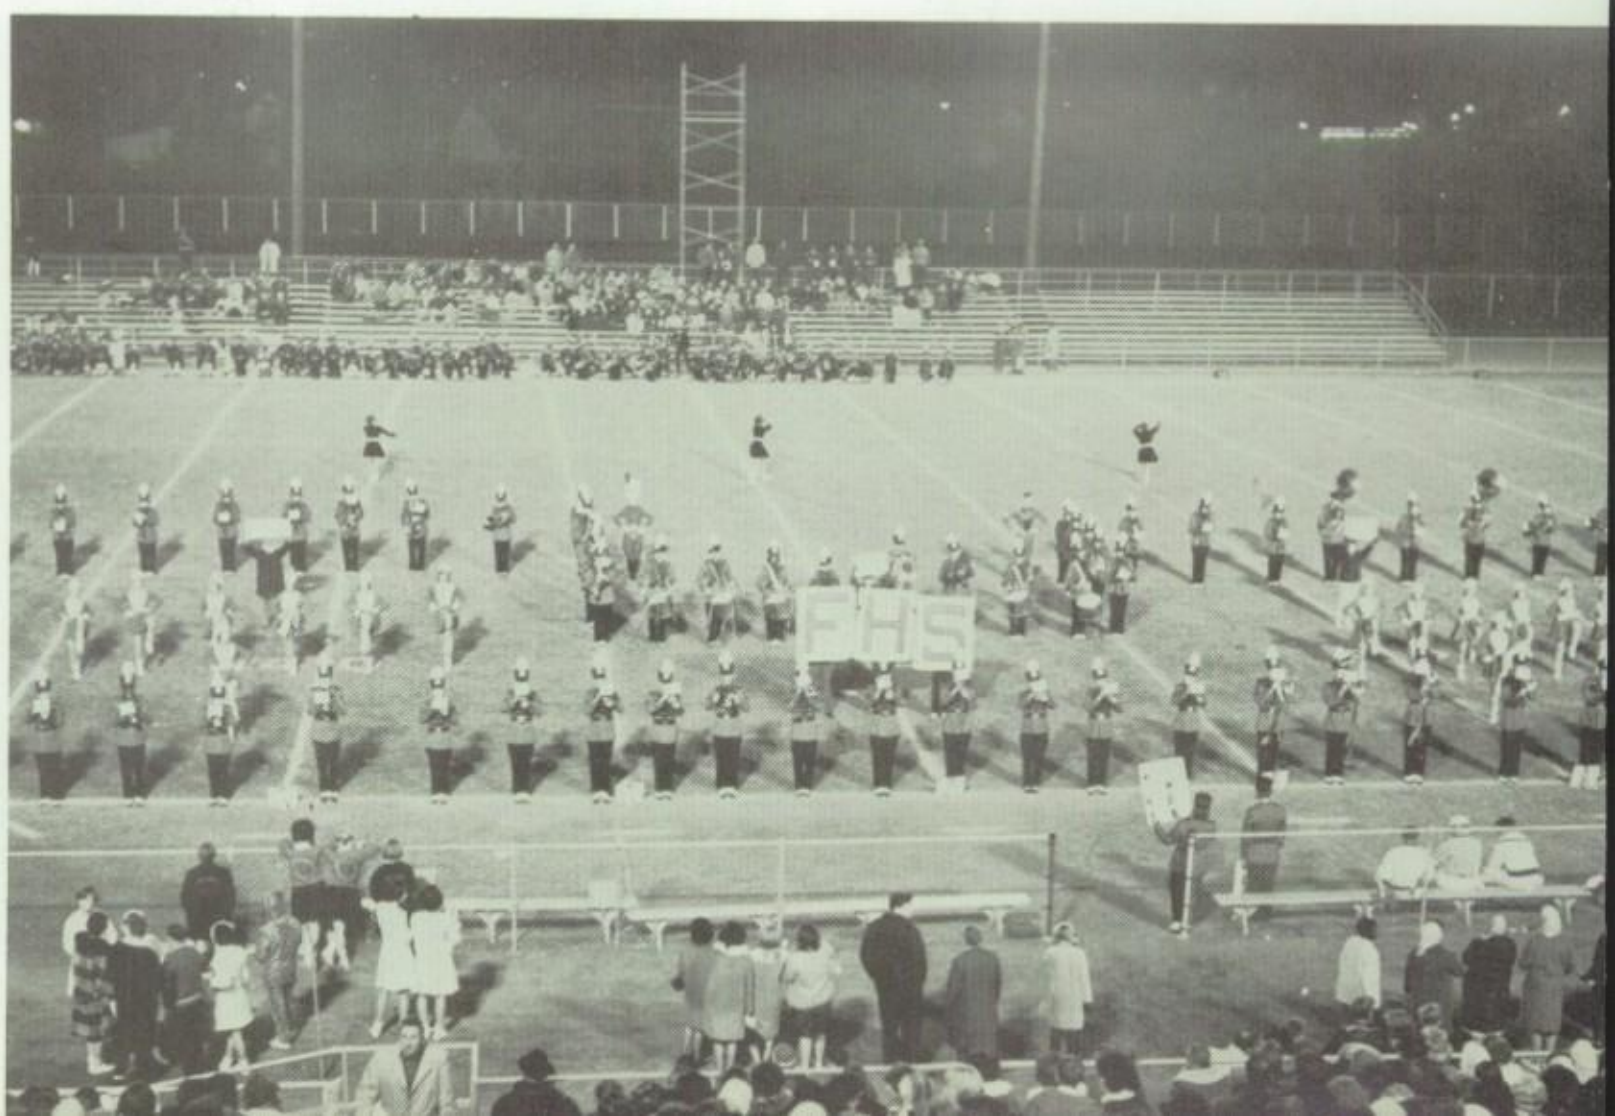
The trumpet trio played a "Bugler's Holiday" as a specialty number for the instrumental winter concert. (Jim Graves, Stan Swartz, and Jeff Poland).

It sure looks like George Rader has been up to something sneaky! *(again!)*



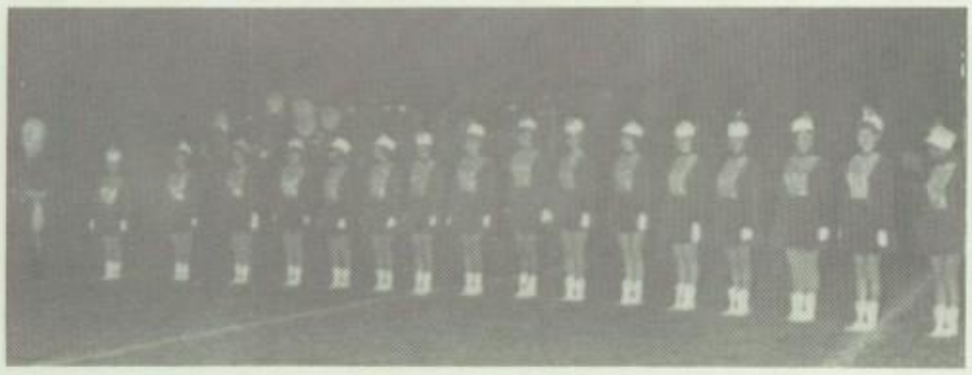
The Fostorettes delighted the football audiences with their routines of precisioned dances.

The marching band did their part in promoting the school-bond issue by presenting a witty depiction of the school, and the voting ballot.



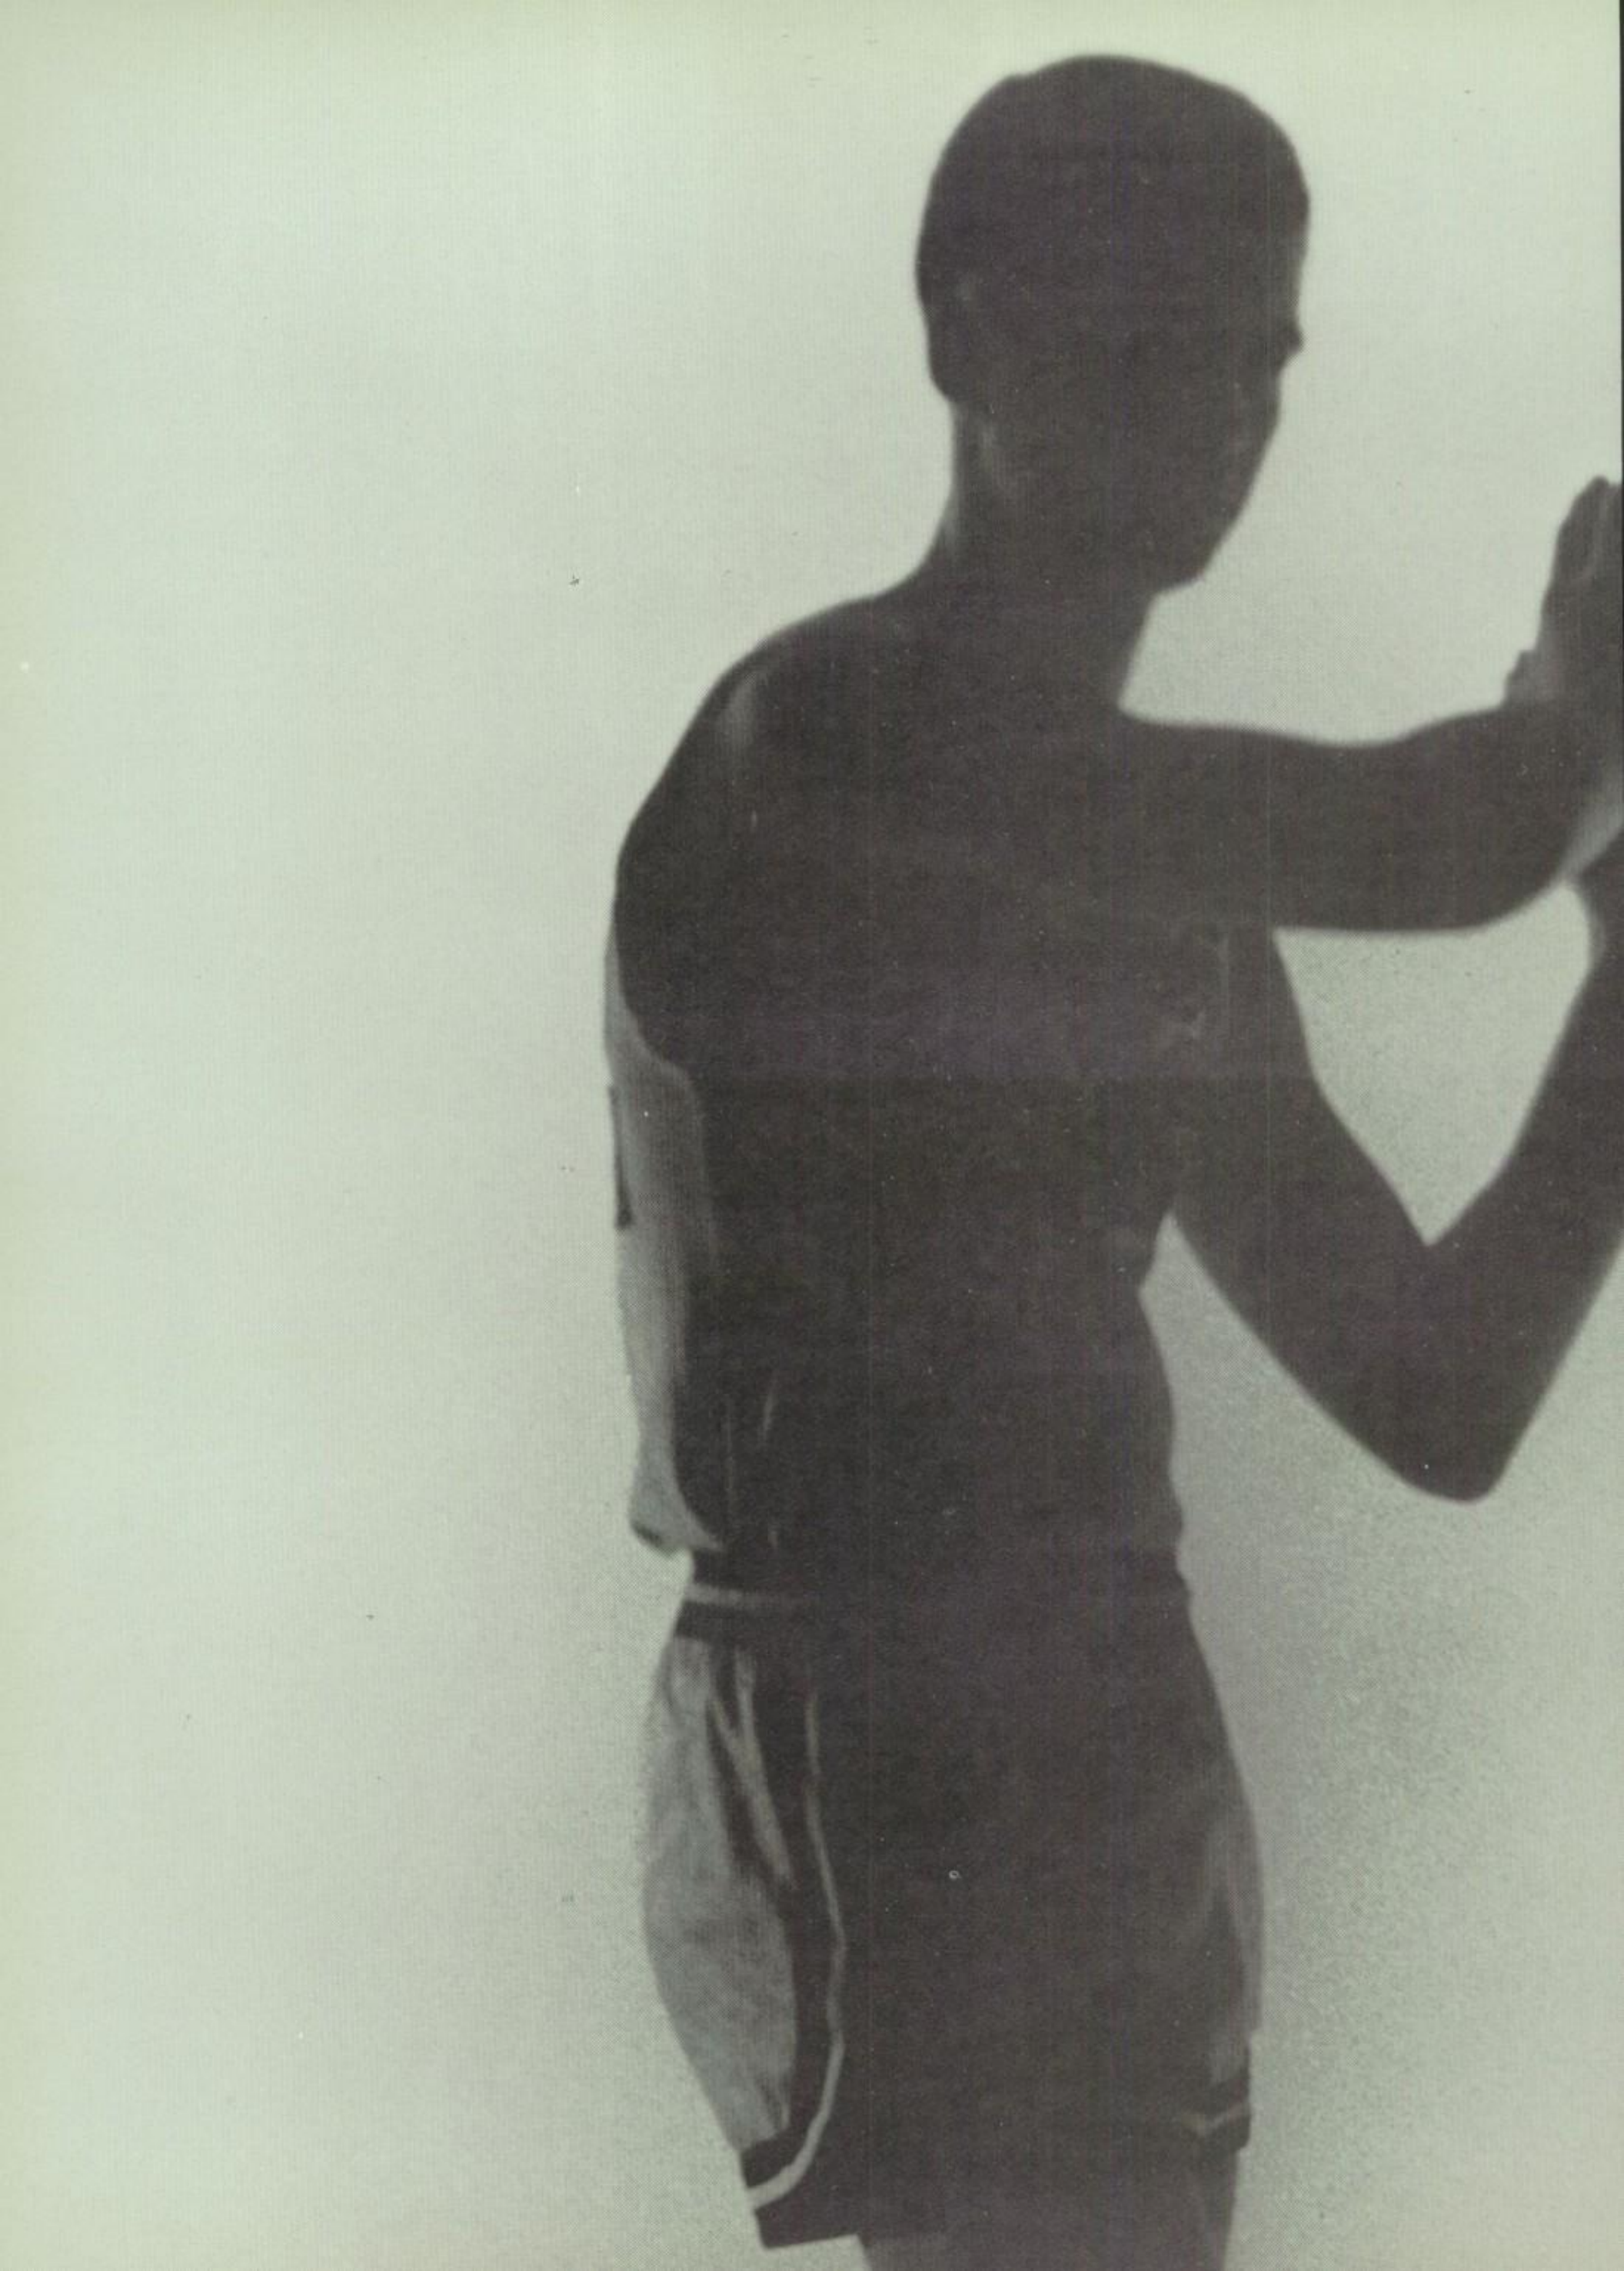
A torch formation is made by the Marching 100 to emphasize the UCF appeal, one of many fine presentations.

The majorettes are hard at it, as everyone relaxes and enjoys the fine music and action of the marchers.



Third period found scenes like this entertaining all the early-lunch students.

A group the size of the FHS band is bound to have some characters, and here's one of them, in the person of John Franklin, the flag-pole sitter!



PROFILES OF ATHLETICS

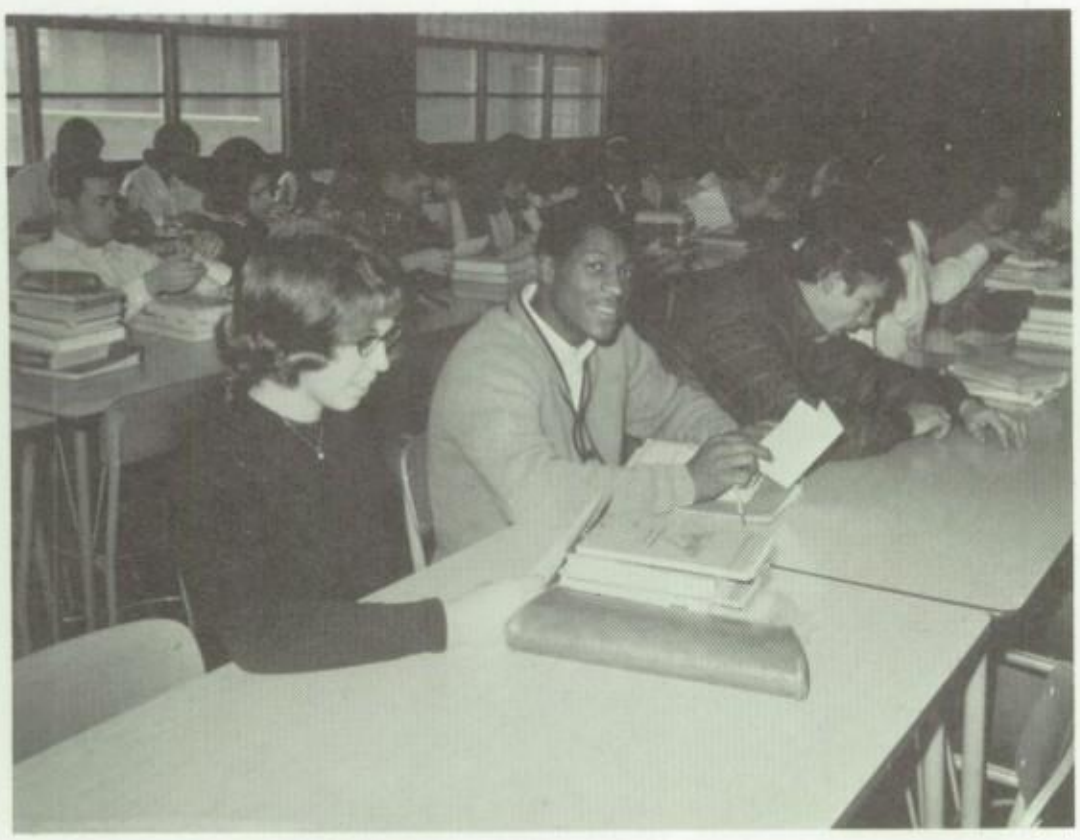
Crashing head-on into another human being, striving to excel over an opponent, straining to within a fraction of a person's physical capacity are components of one of the greatest competitive contests in existence today, ATHLETICS. ATHLETICS are perhaps the best builder of men a boy has the opportunity of participating in. The body contact and ever-present danger of injury in football, the speed and endurance needed in basketball and track, devotion and agility required in wrestling and tennis all help to develop an all-around boy into an all-around man. ATHLETICS have been in existence since the beginning of time and will be in existence until the end of time. Fostoria's tradition of fine athletic teams will undoubtedly go on until athletics cease to exist . . . thus until the end of time.

A DAY WITH AN ATHLETE

Many people are under the impression that athletes are all brawn and no brain. Thus, we are dedicating these two pages to all athletes who sacrificed many hours of hard work so that they might excel in their respective sports. It is no easy job to participate in athletics and still maintain a good academic record, also. Based on his outstanding record as a football and a basketball player, Dave Smith was our choice as the athlete to be portrayed going through a fairly typical day for an athlete. We feel you'll agree with us that Dave had a busy day.

Dave anxiously (?) arrives bright and early.

Dave seems to be asleep on his feet as he gets ready for class.



As Dave receives his grade card in home room, he seems to be saying, "Well, there's always next six weeks."

Dave poses with the two coaches, Mr. Wilch and Mr. Thompson, who have guided him through four years of basketball and football.

As the rest of the class sleeps, Dave struggles to keep his grades above sea (C) level.

As Dave leaves school, he seems to be rather upset(?) by his gals. Such is the life of an athlete.

ATHLETIC BOARD IS BACKBONE OF ATHLETICS AT F.H.S.

SEATED: Robert Pritchard, representing the Athletic Boosters; Paul Stearns, representing the School Board; Robert Latta, Principal; Thomas Bender, Coach; Fred Wilch, Coach.
STANDING: Ralph McCambridge, Superintendent of Schools; Doug Thompson, Coach.

The Athletic Board of Fostoria High School plays an important role in the regulating of the athletic programs. The board is responsible for the planning of programs and scheduling of sports activities in both junior high school as well as the senior high.

The '65 track team under the coaching of Art Burton worked hard in the snow, cold, and rain to produce an outstanding team. The team was made up of mostly underclassmen who will return to make next year's squad even tougher.

The team had some outstanding runners: Junior Frank Ferguson who holds the school record in the 880 and Senior Jim Baker who was outstanding in the mile run.

The 1965 edition of the Fostoria High School tennis team, coached by Ed LeForge, has all the possibilities for a most successful season. The Redmen netters have experience, as there are seven seniors on this year's squad, and another important factor in a winning season is desire; this they also have. The 1964 tennis team had the best record in the school's history, but with the strong potential that this year's team shows, the school record could even be bettered.

C. C. RECORD 4-4

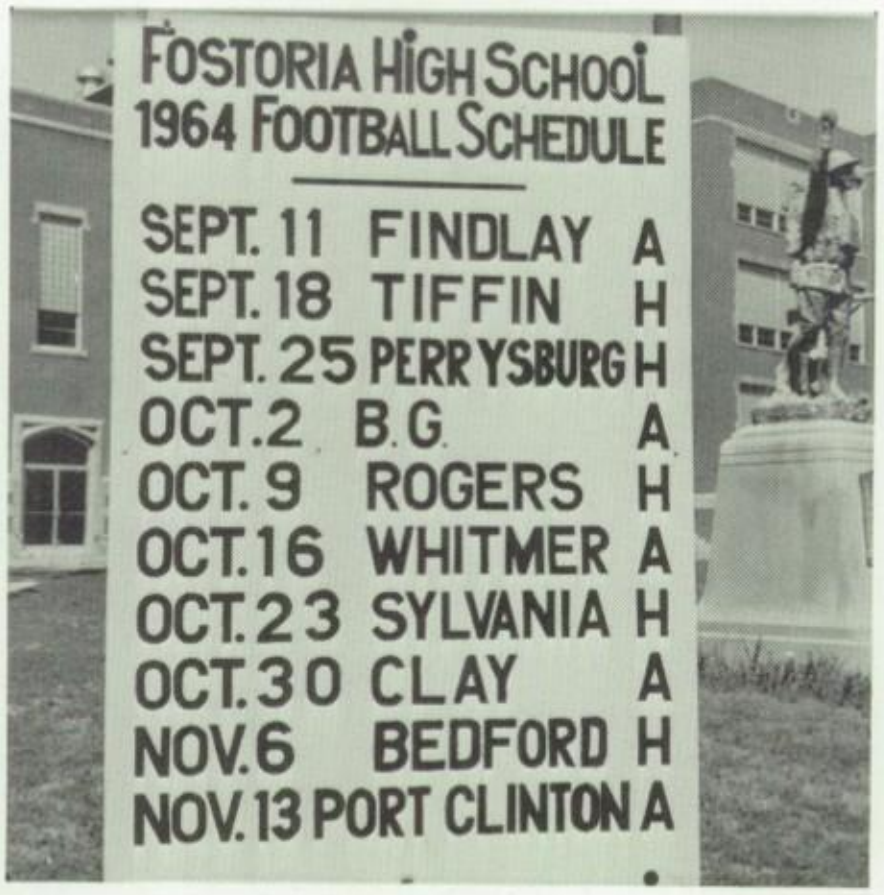
DISTRICT RUNNERS UP

FIRST ROW—Left to Right: Bert Louden, John Beatty, Frank Ferguson, Jim Baker, Tom Carpenter, Mark Hall, and Steve Carpenter.
SECOND ROW: Gary Eidson, Ralph Kirian, Stan Ling, Brad Dunn, Jim Conine, Bob Smith, Terry Miller, Johnny Johnson, and Coach Art Burton.
THIRD ROW: Albert Dixie, Eldon Sheffer, Ray Sinclair, Walt Kramer, Danny Myers, Doug Thompson, Gary Martin.

Senior speedster, Jim Baker coming in first in the Lima-Tiffin meet in a record time of 9:41.5 for two miles.

The Cross Country team turned in the best record to date in this three-year-old sport at F.H.S. The schedule was against stiff competition, such as District Champs Sylvania and Lima, but from fine individual effort in the grueling two-mile run, the team turned in a 4-4 record and were runners-up in their District. Coach Art Burton realized that outstanding distance runners are built by a sound training program and this paid off when they defeated Lima, Bowling Green, Tiffin, and Fremont.

In individual skill, the team had an outstanding runner in Senior Co-Captain Jim Baker who set record times, took six first places out of seven meets, and won a gold medal at the District meet after which he went on to State competition. Junior Frank Ferguson, did a fine job by capturing a first place, three second places, and three third places at meets in addition to going to State with Jim. The other point-getters were Tom Carpenter, John Beatty, Mark Hall, Co-Captain Bert Louden, and Steve Carpenter.



A rugged ten-game schedule.

Quarterback, Dave Smith, throws a roll-out pass.

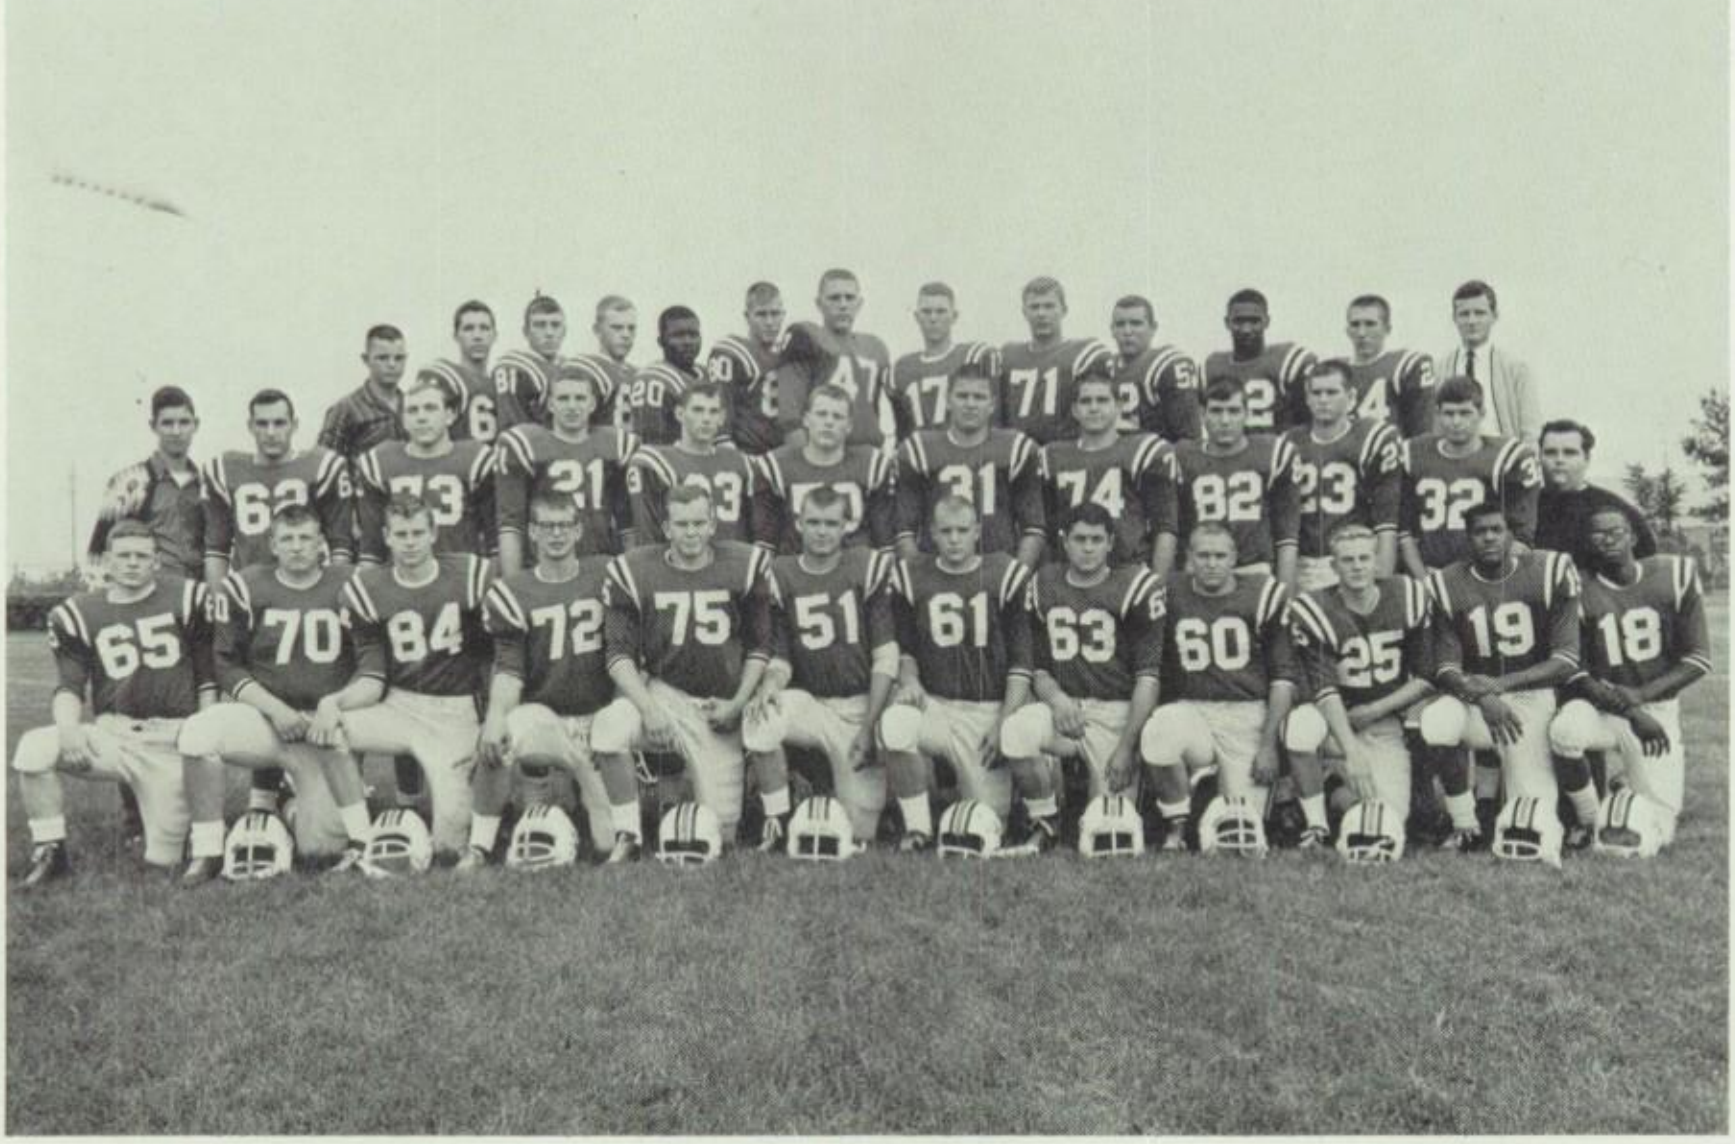
REDMEN FINISH SECOND IN G.L.L.

After getting off to a rather rocky start, Redmen footballers fought their way back to a winning 7-3 record, and had to play the whole season under pressure.

The 1964 Redmen placed second in the Great Lakes League with a 5-1 record. The team's lone loss in league competition was in the first league contest of the '64 season to Toledo Rogers, who went on to win the Great Lakes League title with a 6-0 record. In the past two seasons of league play ('62 and '63), the Redmen had been champs of the Great Lakes League.

The boys who fought for the Red and Black, collected victories over Perrysburg, 12-6; Bowling Green, 18-13; Whitmer, 24-20; Sylvania, 28-12; Clay, 14-0; Bedford, 22-8; and Port Clinton, 30-19. The team suffered losses at the hands of their rival, Findlay, 36-18; Tiffin 22-20, which was a see-saw battle; and lone loss in the Great Lakes League to Rogers, 32-6.

Win or lose this "64" hard hitting team has carried on the traditions of heads-up football which has been instilled by the coaching staff of Thompson, Staley, and Studrawa.



FIRST ROW (L-R): Mike Holden, Bernie Bauer, Bob Shontz, Tom Sherrick, Jim Webb, Gregg Kelley, Steve Broughton, Dick Schlosser, Mike Saxton, Bob Deckard, Dave Smith, Andy Fant.
SECOND ROW (L-R): John Sweet, John Beeson, Phil Warrington, Artie Burton, Steve Rose, Dave Clay, Dick Watkins, Gene Erbland, Ron Hanson, Chris Green, Duane Luckey, Willie Bumgardner.
THIRD ROW (L-R): Phil Craley, Lanny Piper, Dennis Smith, Jack Webb, Al Jeter, Roger Reffner, Terry Alge, Nolan Reinhard, Mike Donaldson, Rusty Rhoades, Richard Lyburtus, Jeff King, Bill Henry.

FOSTORIA CAPTURES NINE PLACES

Redmen captured nine places on the 1964 Great Lakes League All-Star team for a new school record.

Dave Smith was one of two quarterbacks named to the 1964 first team. Dave is only the second player in the history of the G.L.L. to make the all-star squad three times. He also received honorable mention All-Ohio as well.

Other Redmen joining co-captain Dave Smith, the team's most valuable player, on the first team include fullback Dick Watkins, who was a constant ground gainer, as a junior. Senior, Steve Broughton, was a hard hitting linebacker. Junior, Artie Burton, had the most interceptions (nine) in the league to earn the defensive safety spot.

On the second team defense was senior middle guard, Dick Schlosser, a great asset defensively; and up-and-coming junior linebacker, Lanny Piper.

Receiving honorable mentions were Chris Green, Phil Warrington, Mike Holden, Gregg Kelley, Jim Webb, Duane Luckey, Bernie Bauer, Bob Deckard, Roger Reffner, and Al Jeter.

FRESHMAN SQUAD PLAYS TOUGH—
BUT NOT TOUGH ENOUGH

FIRST ROW: Bill Youngston, Gary Piper, Mike Birkmire, Allen Perrine, Glen Downing, Bill Roghgeb, Steve Workman.
SECOND ROW: Steve Tsantles, Ken Marsenburg, Tom Smith, Jim Chalfin, Dan Mitchell, Dean Peeler, Sam Wenger, Ken Koehl, Bill Prenzlin, Chuck Redinger, Steve Holden, Charles Murrin.

After the undefeated season of 1963, the 1964 edition of the freshman football squad had a rather disappointing 0-6 record. This record, however, does not show the hard work and long hours that were put in by the squad.

Although the scores indicate a poor season, the players gained much experience and knowledge of the game which will produce some fine prospects for the future reserve and varsity squads.

All statistics were burned immediately following the last loss according to freshman coaches Fred Wilch and Carlos Jackson.

FHS RESERVES POST 8-1 RECORD

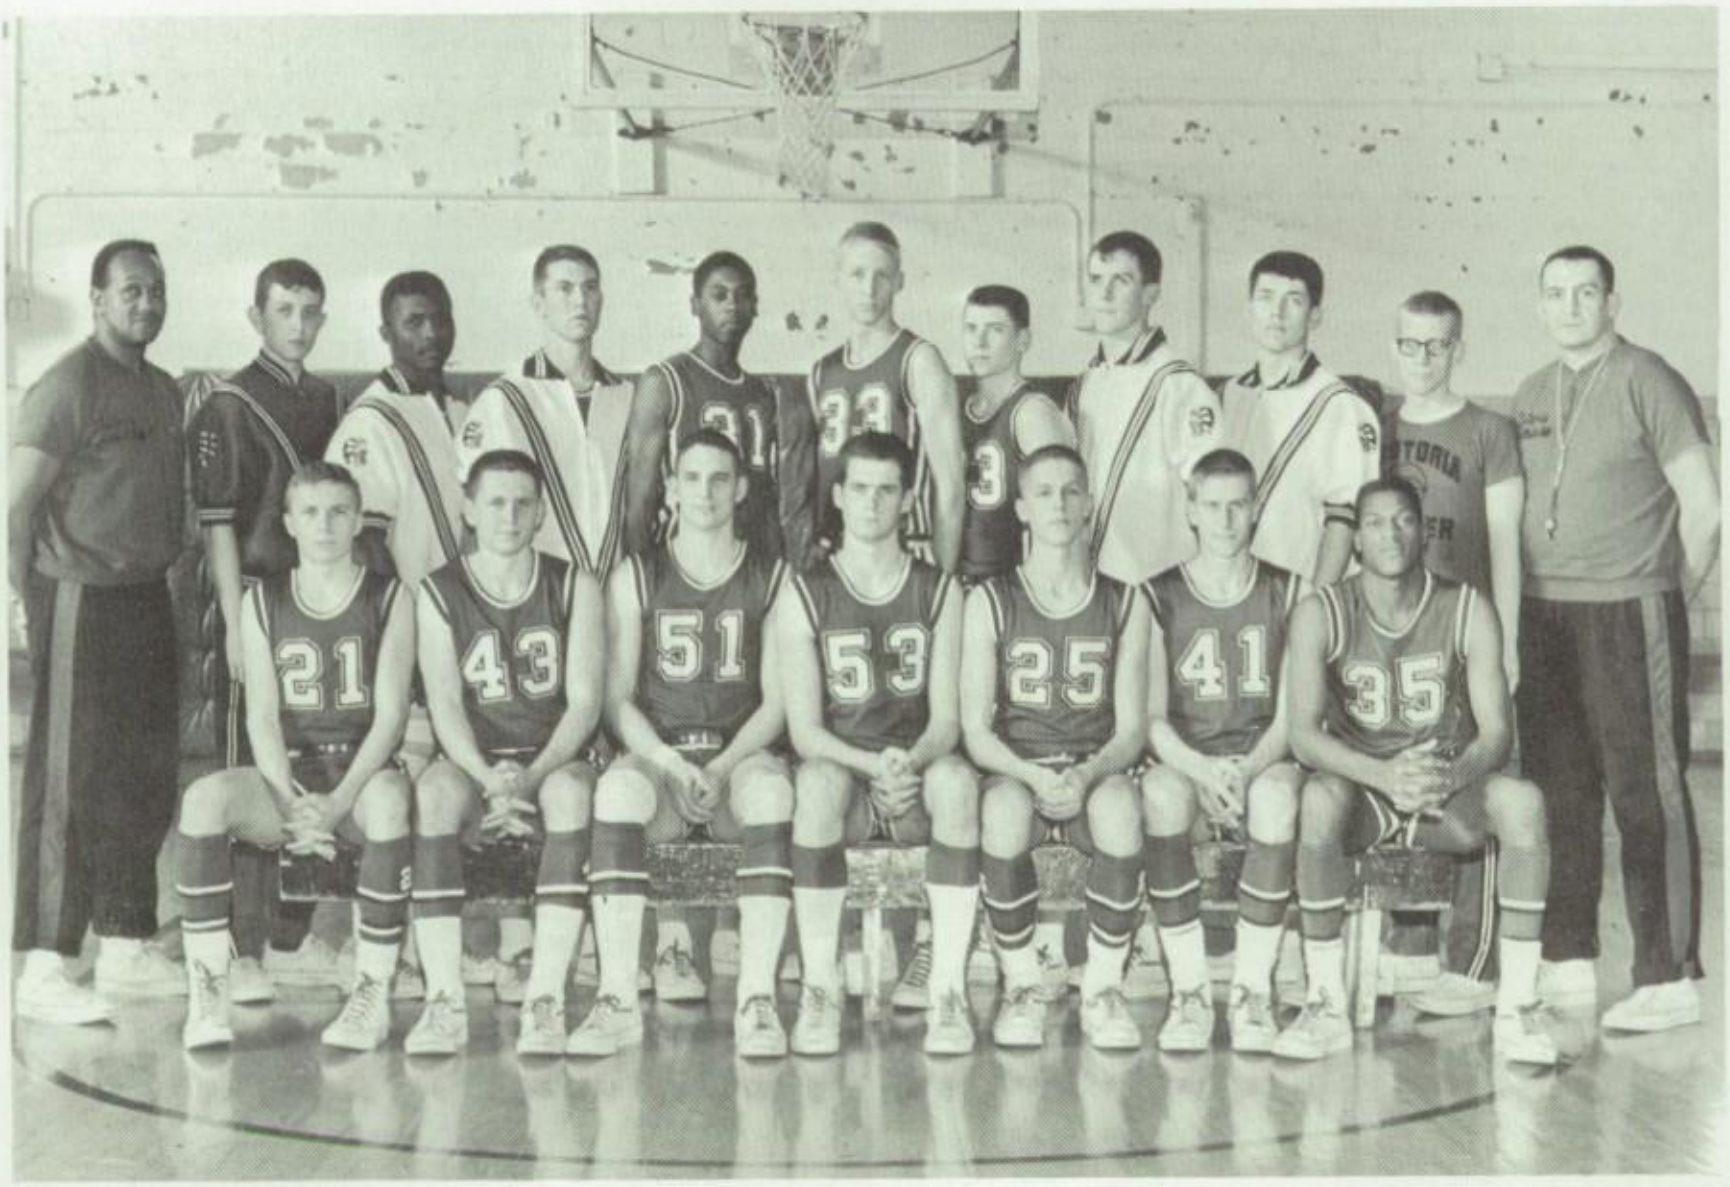
FIRST ROW: Tom Schlosser, Ron Markoff, Jim Buckingham, George Kentris, Todd Russell, Jim Ford.
SECOND ROW: Mr. Richards, Roger Good, Bill Hay, Tony Roberts, Dan Childers, Howard Doering, Ray Orwig, Mr. Hoffman.
THIRD ROW: Mgr. Bob Trout, Gregg Gross, Bill Burger, Tom Justice, John Fleming, John Strauss, Bob Green, Mark Hawley, Walter Bemesderfer, Allen Lawless, John Schlosser, Gregg Smith.

The 1964 Fostoria High Reserve football team, coached by Ron Richards and Tom Hoffman, completely dominated the opposition by scoring a total of 256 points. The very aggressive defensive unit held the opposition to 58 points in nine games.

The Reserves started the season in mid-September by defeating Tiffin Calvert, 40-6. Findlay was next on the schedule and the Trojans scored an upset victory over the Redmen, 12-8. The Reserves were untouched from there on as they clobbered Mohawk, 46-0; nipped Rogers, 16-6; beat Whitmer, 30-0; defeated Sylvania, 40-14; downed Clay, 16-8; won over Bedford, 20-12; and defeated Port Clinton in the season's finale 40-0.

The 1964 Reserves will be a great asset to our future varsity teams and will help make the next two years look all the brighter at F.H.S.

INJURIES, INEXPERIENCE, ATTRIBUTED TO REDMEN'S DISCOURAGING SEASON



FIRST ROW: Ralph Kirian, Bernard Seel, Art Burton, Chris Green, Brad Dunn, Roger Reffner, and Dave Smith.
SECOND ROW: Coach Carlos Jackson, Statistician Doug Thompson, Albert Jeter, Nolan Reinhard, Frank Ferguson, Walter Kramer, Gary Eidson, Bob Green, Jerry Conine, Manager John Oyler, Coach Fred Wilch.

The 1964-1965 edition of the Fostoria High School Redmen suffered a disappointing season. It was the first losing season that Coach Fred Wilch has had since coaching at Fostoria. However, injuries and inexperience can be blamed for several of the losses. Even though suffering a discouraging year, the Redmen gained much satisfaction from defeating arch rivals Findlay and Fremont.

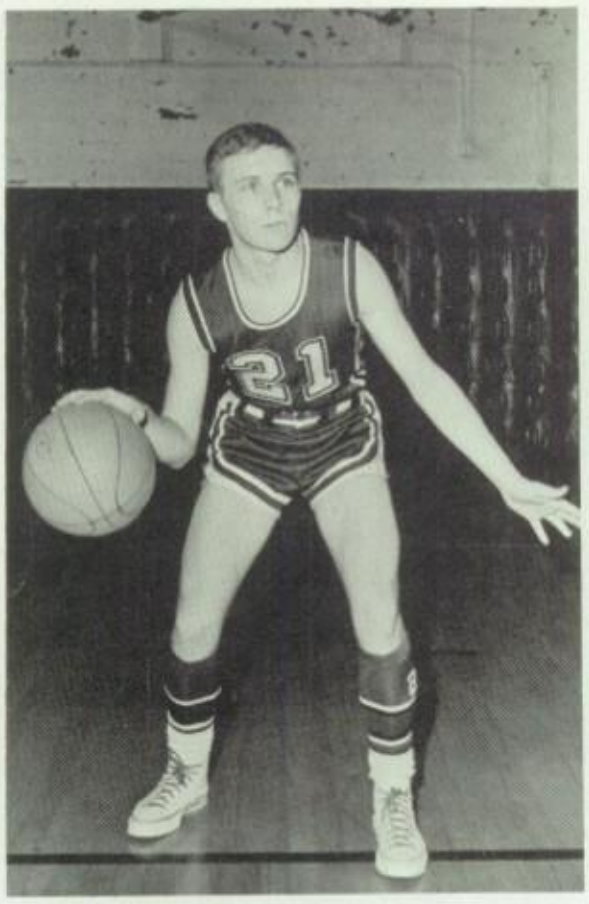
The Redmen finished fifth in a perennially strong Great Lakes League which wound up with Oregon Clay as champions. The Redmen's record in league play was four wins and eight losses. After the season's last loss, the team's morale was at a low point when Coach Wilch left them with a departing gesture, "It matters not whether you win or lose, but how you play the game." Well said, Coach Wilch.

Ralph Kirian, Walt Kramer, Chris Green, and Brad Dunn collapse around Findlay's center.

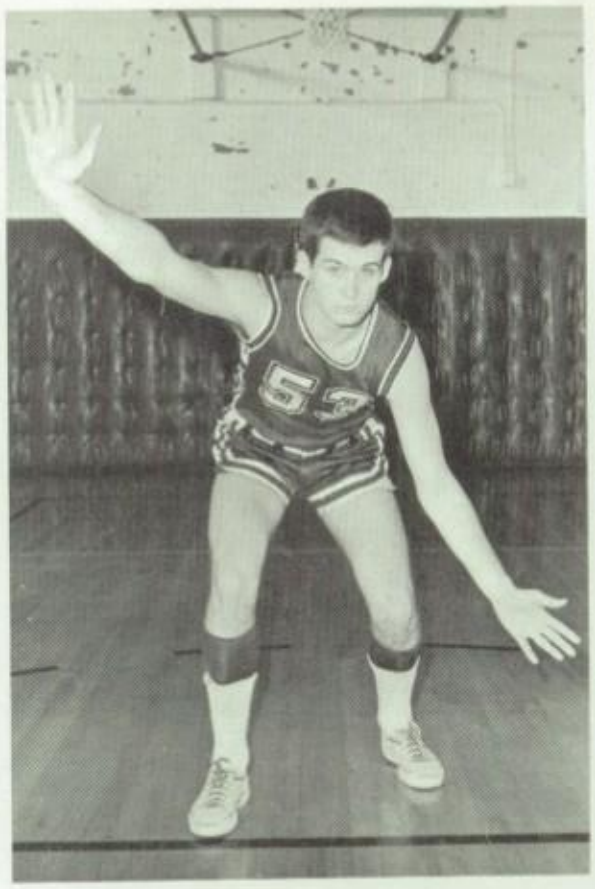
Roger Reffner, 6'1" junior forward, did a fine job for the Redmen.

Dave Smith, senior forward, was strong offensively as well as defensively.

Bernard Seel, 5'10" guard, provided fine strength.



Ralph Kirian gave his team many valuable points with his fine outside shooting.



Senior Chris Green helped win games for the Redmen with his fine all-around play.

Roger Reffner hits on his jump shot against Port Clinton as Gary Eidson (23) looks on.

Coaches Wilch and Jackson talk with team during a time out at the Findlay game.

Coaches Fred Wilch and Carlos Jackson

Fostoria High School can be proud of its very fine coaches, Mr. Wilch and Mr. Jackson. These two men are admired and respected by players and fans alike. Their knowledge of the game and good sportsmanship attributes much to their team's success. During the past years they have produced teams with fine records.

Dave Smith, shooting over a tight defense scores for Redmen.

Junior Walter Kramer provided much-needed rebounding.

Brad Dunn, a consistent ball player, was a great asset to the team.

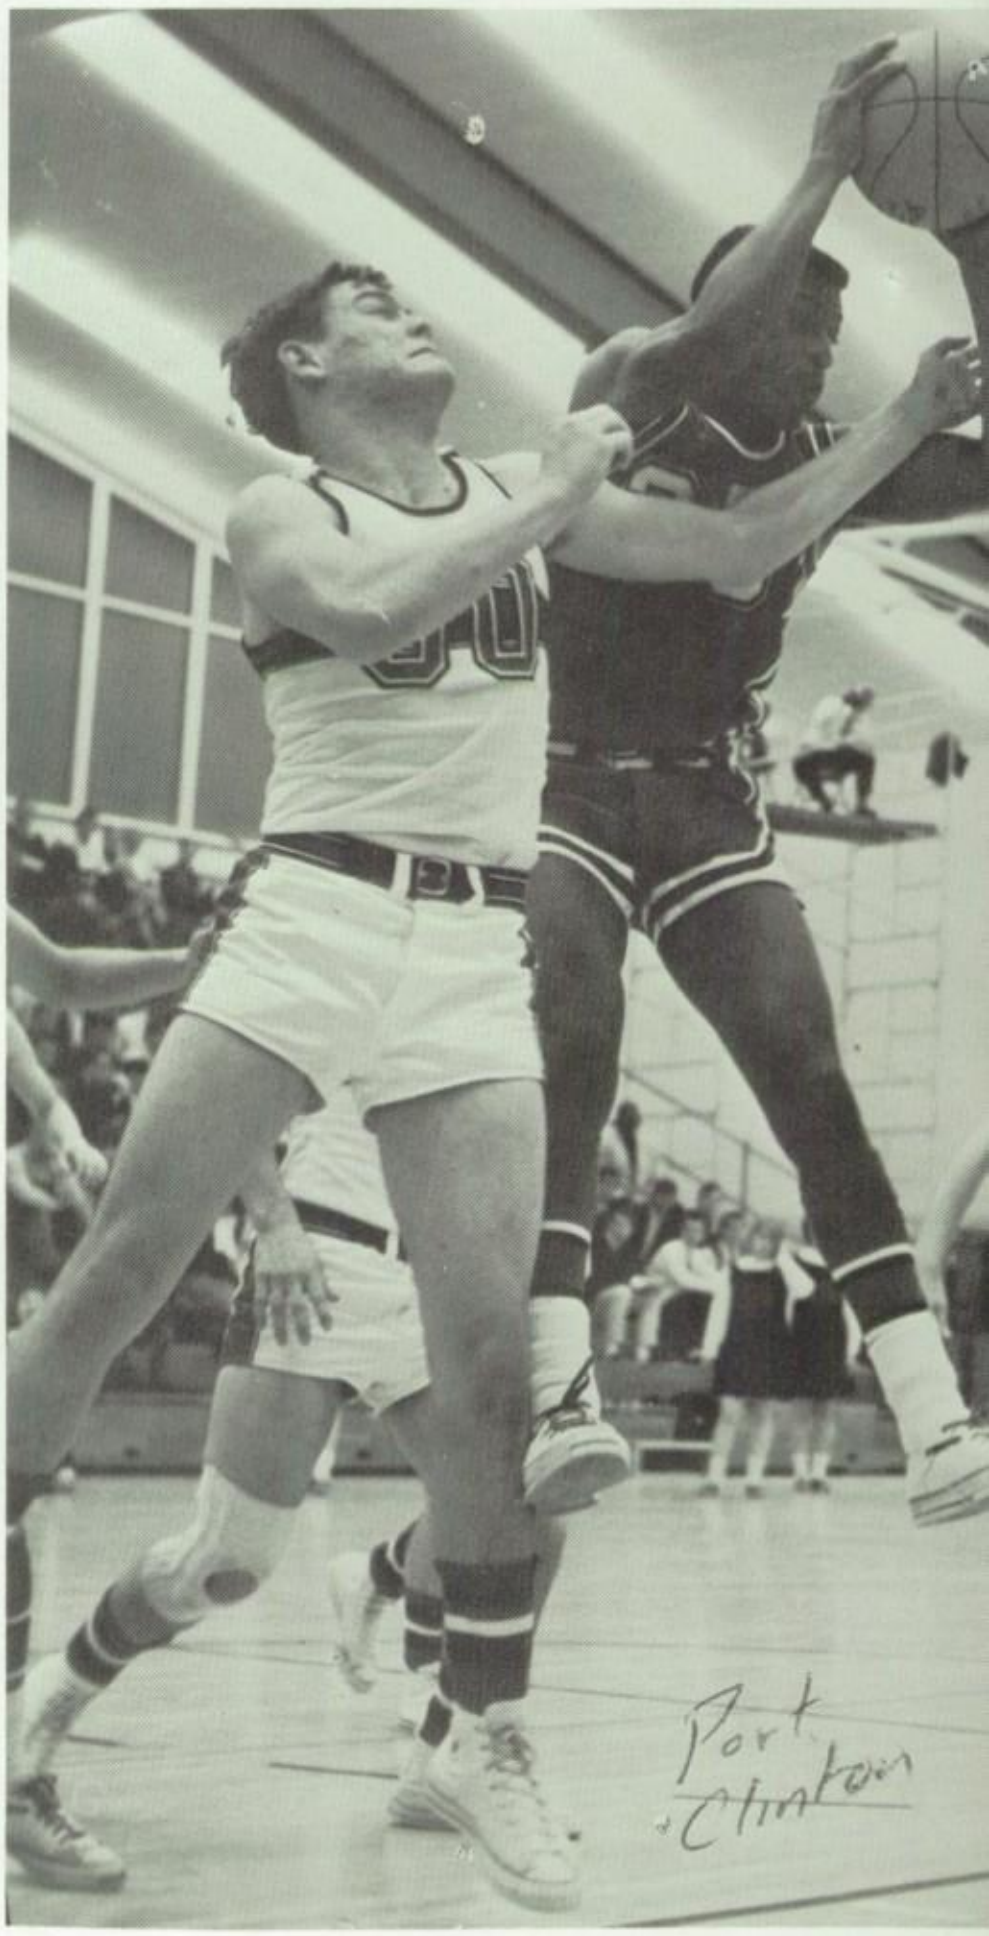
Walter Kramer grabs a rebound from a Whitmer opponent.

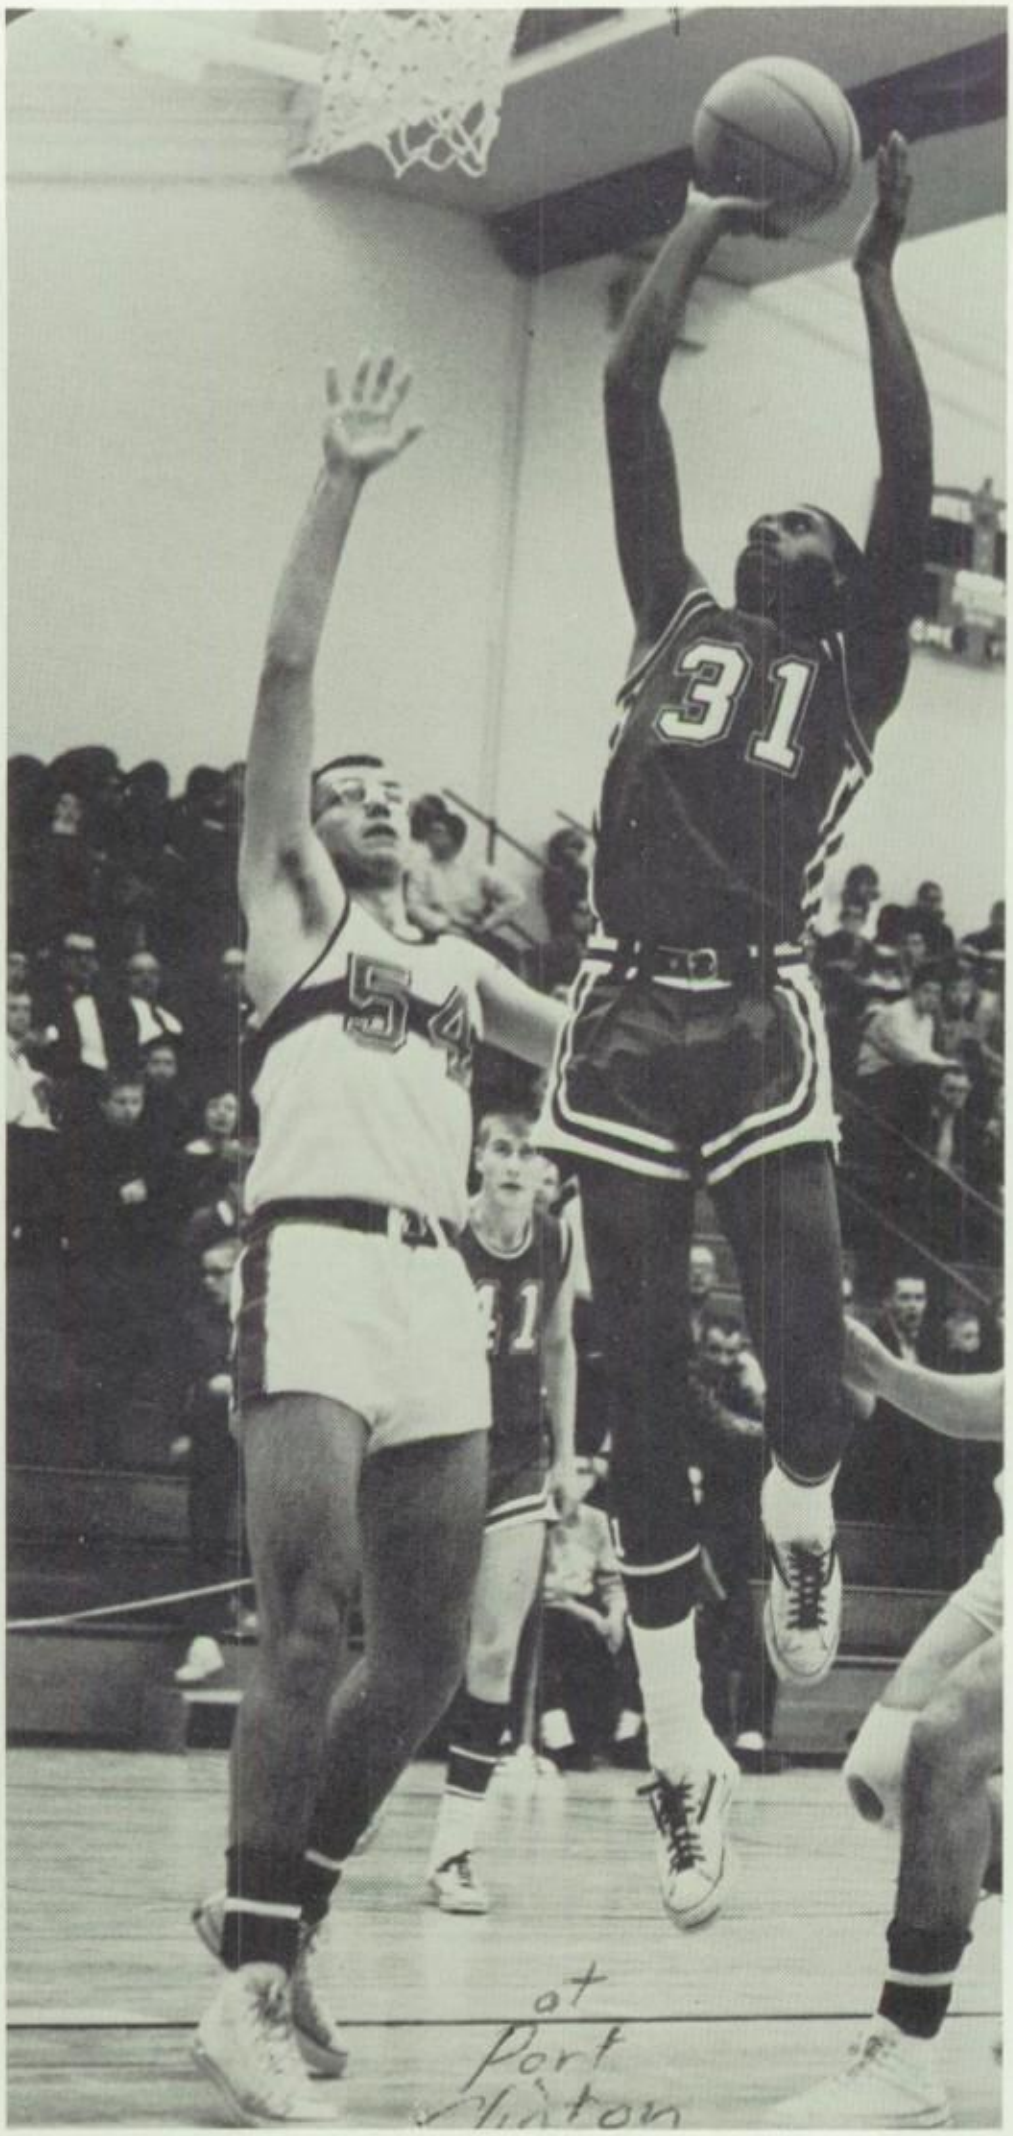
Art Burton, 6'1" forward, returned to fine form after suffering a knee injury.

Gary Eidson gained much needed experience while helping reserves to the championship.

Chris Green fights for one of his many rebounds.

Dave Smith grabs a rebound from a Port Clinton opponent.





Frank Ferguson leaps high to score for the Redmen.

One of the most important and underrated jobs in basketball is managing. The managers work as hard as the players, but their jobs are different. They have many duties to perform during the week as well as during a game. Some of the many jobs include packing the players' uniforms for out-of-town games, taking good care of the players themselves, by keeping the coaches happy by following their instructions. The boys deserving the credit are pictured below. They are senior Dave Koehl who has served as a manager for two years; Doug Thompson, a junior, who has been the team's statistician for two years; John Oyler, a senior, with two years of managing to his credit; and John Harriman who was in his first year of managing.

F.H.S. BASKETBALL BANQUET IS SUCCESS

The Fostoria High School basketball banquet was a complete success this year. Awards were given to the Varsity and Reserve ballplayers, cheerleaders, and the freshman ball team. The guest speaker was Bob Nichols, head basketball coach from Toledo University. The following awards were given: most improved reserve player, Bob Green; most improved varsity player, Brad Dunn; Scholastic award, Bernard Seel; most rebounds, Chris Green; most valuable, Chris Green; foul shooting winner, Ralph Kirian; and team co-captains, Dave Smith and Ralph Kirian. All in all it was a satisfying evening.

Dan Fast, representative for the reserves, presents Mr. Jackson with a token of their appreciation for his fine coaching over the year.

Bob Green, most improved reserve ballplayer, receives his letter from Coach Jackson.

Chris Green, most valuable Redman this season, for the second year in a row, receives his award from Mayor Brubaker.

The guest speaker for the night, Bob Nichols from Toledo University, gave a very interesting and meaningful talk.

RESERVES - G.L.L. CHAMPS

FIRST ROW: Frank Ferguson, Bob Green, Nolan Reinhard, Jerry Conine, Albert Jeter.
SECOND ROW: John Harriman—manager, Mark Hall, Bill Henry, Mark Hawley, Raymond Sinclair, Dan Fast, John Beatty, Gary Miller, Tom Carpenter, Coach Jackson.

The Reserves, comprised mainly of sophomores and sprinkled with juniors, recorded (10 wins, 7 losses), and they also were co-champions of the Great Lakes League with a 9-3 mark. Several of their losses, were by a very narrow margin. The boys played hard and well throughout the season. Being a reserve is a part of the athletic program in which they participate to reach varsity competition. Several of these boys will be playing on next year's varsity ball club.

The F.H.S. frosh team accomplished many things even though their record (1-12) didn't show it. They learned the basic fundamentals needed to play basketball. The freshman basketball program serves not only to give the players a year of valuable experience in actual games, but also to prepare them, under the guidance of Coaches Eynon and LeForge, to take an active part in the reserve and varsity program in the next three years.

FUTURE MATERIAL FOR VARSITY TEAM

FIRST ROW: Gary Piper, Charles Murrin, Jim Rothgeb, Duane Koehl, Tom Haney.
SECOND ROW: Howard Doering, Jim Chalfin, Tom Smith, Tom Graves.

Reserve Wrestling went through its second full season at F.H.S. The reserve team, coached by John Tinsman, had an eight match schedule, which included all the G.L.L. schools plus Findlay, Perrysburg and Bowling Green. The team was made up of mostly freshmen who had no previous experience in wrestling which resulted in the 0-8 record. Although the record is not a winning one, the boys gained much experience for next year's Varsity.

MATMEN HAVE HARD GOING

FIRST ROW: Andy Fant, Dick Maxwell, Ron Markoff, Steve Smith, Jerry Nelson.
SECOND ROW: Dick Watkins, Al Kibble, Jim Webb, Greg Smith, Phil Hollenbaugh.
THIRD ROW: Tom Davis, George Kentris, Mike Saxton, Gregg Kelly, Manager, Bill Berger.
FOURTH ROW: Dick Smith, Eldon Sheffer, Richard Lyburtus.

The Redmen grapplers had a losing season (0-12) against some of the most experienced and powerful teams in Northwestern Ohio. The schedule was such that the F.H.S. grapplers were against stiff competition every week but kept striving with the will to win.

This year's team was mostly underclassmen. Coach Dennis Studrawa helped to develop their abilities through a program of rugged physical training and the knowledge of all the fundamental techniques. There will be nine returning lettermen for next year's team.

Individually, throughout the season, co-captain Steve Smith turned in an outstanding record. Jim Webb, a four-year letterman, did a fine job in his weight class. At the G.L.L. matches at Bedford, Steve Smith placed second in the 120 lb. class. Dick Watkins placed second in the heavyweights and Vaughn Moore took a fourth in the 154 lb. class for F.H.S.

Dick Watkins was a pleasant surprise at F.H.S. by taking the heavyweight championship at District and going on to State.

REDMEN CHEERLEADERS

VARSITY: Rita Cupp, Nancy Beeson, Candy Wice, Cheryl Kirian, Peggie Tighe, Linda Louden.

RESERVE: FIRST ROW: Linda Morgan, Laura Burger, Cindy Scharlach.
SECOND ROW: Margaret Pritchard, Kristine Kirian.
THIRD ROW: Pam Tighe.

CHEERLEADERS PROMOTE SPIRIT AT F. H. S.

The 64-65 F.H.S. cheerleaders had new cheers, new outfits, and new ideas to promote school spirit. The girls practiced many long hours under the supervision of Miss Stelluti. The girls' duties were to travel to all Redmen games, head the Pep Club, lead pep rallies, and construct colorful signs which were posted throughout the halls and the gym. Also the girls sponsored an after-game hop and bake sales to help pay for their outfits.

Junior cheerleader, Cheryl Kirian, leads the Redmen crowd in cheers.

Graduate, Jim Hauser, speaks at pep rally in behalf of the Redmen.

CHEERLEADERS RESPONSIBLE FOR INTERESTING PEP RALLIES

The Varsity Cheerleaders planned many special pep rallies during the football and basketball seasons. They were responsible for the big rally before the Findlay game in which honor was paid to the football players around a big bonfire. During the basketball season, there were many interesting and funny pep rallies before all home games.
